

Ubu abantu bafite imyaka 12 gusubiza hejuru bemerewe urukingo rwa COVID-19

Rinda abana bawe kandi ufashe kurandura iki cyorezo

Ubu urukingo rwa COVID-19 rwa Pfizer ruremewe ku bantu bafite imyaka 12 gusubiza hejuru. Amagerageza y'ubuvuzi yerekana ko uru rukingo rukora neza cyane mu kurinda COVID-19 muri iki cyiciro cy'emyaka. Mu by'ukuri, nta n'umwe mu bitabiriye igerageza ry'ubuvuzi wabonye urukingo wigeze yandura COVID-19.

Wasanga uftite ibibazo bijyanye no gukingiza abana bawe COVID-19. Vugana na muganga wawe niba uftite ibibazo bijyanye n'inkingo za COVID-19.

Ukuri ku rukingo:

Inkingo za COVID-19 zirizewe, nubwo bazikoze ku buryo bwihuse.

Kwhutisha gukora inkingo byavuye ku kugabanya gukorera mu biro, hatabayeho kuberereka cyangwa kurenga ingamba n'imwe y'ingamba zo kwirinda. Abahanga mu bya siyansi ku isi bamaze igihe kirenga imyaka icumi bakora kuri iri koranabuhanga. Niyo mpamvu byashobotse gukora urukingo rwizewe kandi rukora neza mu buryo bwihuse.

Ingaruka ziza nyuma yo gukingirwa zirasanzwe.

Ni ibisanzwe ko abantu bagira ibimenyetso cyangwa ingaruka mbi byoroheje cyangwa biringaniye nyuma yo guterwa urukingo. Ibi bivuze ko urukingo ruba ruri gukora kandi umubiri wawe ukaba utangiye kubaka ubudahangarwa no kwiga kurwanya iyi virusi.

Ingaruka zikomeye zibaho gake cyane nyuma yo gukingirwa.

Inkingo za COVID-19 ntizigutera COVID-19.

Inkingo za COVID-19 ntizirimo igice cya virusi, bityo rero ntizagutera COVID-19. Nta virusi isohoka mu nkingo kuko urukingo atari virusi nzima. Urukingo rukurinda COVID-19, NTIrtuma ukwirakwiza virusi.

Inkingo za COVID-19 ntaho zigeze zihurira n'ubugumba cyangwa gukuramo inda.

Nta makuru rwose yerekana ko hari urukingo rwa COVID-19 rwigeze rutera ubugumba cyangwa gukuramo inda. Ntibyashoboka mu buryo bw'ibinyabuzima ko agace gato kuri proteyine kabasha gutobora umura ngo hanyuma bitere kuva amaraso. Inkingo za mRNA NTIzikorana na ADN yaye cyangwa ngo zitere impinduka zishingiye ku ngirabuzima fatizo kuko mRNA itinjira mu ntima y'ingirabuzima fatizo, ari naho ADN iba.

Kugira ngo ubone urukingo hafi yawe, sura coronavirus.utah.gov/vaccine.
