

# Ro 12 aer yiō im rūttolok remaron kiō tōbrak in bōke wā eo an COVID-19

Kejbarok ajiri eo nejum im jibañ kōbōjrak jorrāān eo elab emōj an jelōte aoleben lal in

Wā eo an COVID-19 an Pfizer emōj kiō kōmelim ñan kajojo armij ro 12 aer yiō im rūttolok Katak in wūno ko rej kalikar ke elukkun lab an jejjet an wā eo bōbrae jen COVID-19 ilo kumi eo an joñan yiō kein Innem, ejellok ro rar bōk kwōnaer ilo katak in wūno eo im rar bōke wā eo rar bōk nañinmij in COVID-19.

Emaron wōr am kajitōk kin an ajiri ro nejum bōke wā eo an COVID-19. Kenono ibben taktō eo am elañe ewōr jabdewōt am kajitōk kin wā ko an COVID-19.

## Melele ko rejimwe kin wā eo:

### Wā ko an COVID-19 rej letōk kejbarok, jekdoñ ñe ear mōkaj aer kōmmani.

An mōkaj an kar kōmman wā ko ear walok jen an kar diklok kakien ko rekōmman abañ, jab tiljek in kōmmane aoleb mennin aikuj ko ak kōjekdoñ jabdewōt wāween kejbarok ko. Elablok jen joñoul yiō in an scientist ro ibelakin lal kōmadmōde kein jermal kabel in. Wunin an kar lukkun maron mōkaj an kōmman wā eo ej letōk kejbarok im jejjet an jermal.

### Ekkā abnōnō ko rej walok alikin wā.

Ekkā an armij wōr kakōlkōl ko edik ak bwe joñaer ne ejab metak ak nañinmij ko ālikin aer bōk wā eo. Melelein mennin ej enbwinnim emōj an jino jermal in kōmmane wāween an bōbrae jen nañinmij im ej katak an tarinae ibben nañinmij eo.

**Abnōnō ko relukkun kauwōtata elukkun lab aer jejjā alikin wā.**

### Wā ko an COVID-19 rejab lewaj COVID-19 ñan kwe.

Ejellok jabdewōt mōttan kij in nañinmij eo iloan wā ko an COVID-19, innem ebañ kōmman mennin am bōke COVID-19. Ejellok mōttan kij ko rej ajeeded jen wā ko kinke wā eo ejab juon kij mour. Wā eo ej kejbarok kwe jen COVID-19, bōtab EJAB kōmman am kaajeeded kij in nañinmij eo.

### Wā ko an COVID-19 rejañin kobalok ilo ad jelā ke rej kōmman wōrañe ak mij lojeen kirae.

Elukkun ejellok melele ej kwalok ke jabdewōt wā ko an COVID-19 rej kōmman wōrañe ak kōmman an mij lojeen kūrae. Ejab maron walok bwe jipaik jidikdik eo ilo jipaik eo ion protein eo en maron rube tōrerein jikin niñniñ eo lojeen kora im kōmman bōtōktōk. Wā ko an mRNA REJAB leto letak ibben DNA eo am ak kōmman oktak ilo kij in bōrañ kinke mRNA eo jab deloñe nucleus eo an cell eo, im ej jikin eo DNA eo ej bed ie.
