# Taxadir amaanka ah oo ardayda, macalimiinta iyo shaqaalahu u dhawaaday cid qabta COVID-19

- Eeg astaamaha COVID-19 maalin kasta, waxaa kamidna ah iska qaadi heerkulkaaga hadii ay macquul tahay. Hadii aanad haysan heerkulbeeg, waxa aad taabataa maqaarkaaga si aad u eegto inuu diiran yahay ama casaan yahay. Buug waxtar badan oo loo yaqaan, "Waxa aad samaynayso hadii aad ku jirto karantiin ama aysoleeshin," waxaa lagala degi karaa <https://coronavirus.utah.gov/protect-yourself/>.
- Guriga joog oo ka fogow dadka kale ilaa inta macquulka ah. Ha qaban dugsiga, shaqada, hawlaha waxbarashada ka baxsan, cibaadada diinta, isku imaatinka qoyska, ama hawlaha kale ilaa inta karantiinku dhamaystirmayo ama aad buuxiso shuruudaha shaybaadhka ee soo afjariida karantiinka wakhti hore.
- Waxa aad xidhataa wajji gashi hadii aad ka baxayso guriga oo aad hawlo muhiim ah soo qabsanayso sida inaad cunto soo iibsato ama daryeelka caafimaad aad doonato.  
Kaliya waxa aad gurigaaga uga baxdaa hadii ay khasab kugu tahay.
- Waxa aad xadidaa tirada booqdayasha ee gurigaaga. Tani waxay si gaar ah usii muhiim tahay hadii qof aad wada nooshihiin uu ku jiro khatar badan oo ah inuu qaado xanuun daran oo COVID-19 ah.
- Nadiifi oogooyinka badanaa aad ku taataabato gacantaada (taleefanada, gacmaha albaabada, badhanada laydhka laga shido, gacmaha suuliyada, gacmaha qasabadaha bullaacadaha, miisaska dushiisa, iyo wax kasta oo bir ah).
- Ku maydh gacmahaaga saabuun iyo biyo marwalba. Wash your hands with soap and water often. Hadii saabuunta iyo biyaha aanad heli karin, waxa aad isticmaashaa alkohoolsha nadiifiyaha gacmaha leh oo ay tahay alkohooshiisu 60% ugu yaraan.
- Fur daaqada ilaa inta macquul ah si ay hawo usoo gasho guriga oo aad u kordhiso hawada soo galaysa qolalka.
- Ha wadaagin cuntada ama agabka cuntada dadka kale.
- Hala wadaagin dadka kale shayada sida cadayga.
