

# Well child visit record card

Your baby needs 11 well child checks by the time they turn 3 years old. This will help keep your child's immunizations up-to-date, make sure your child meets important milestones, and complete developmental screenings. Wellness checkups are FREE with Medicaid, CHIP, and most insurance plans.

**Child's name:** \_\_\_\_\_

**Date of birth:** \_\_\_\_\_

**Doctor's name:** \_\_\_\_\_

**Doctor's phone number:** \_\_\_\_\_

## Checkups by age
