A color-coded health guidance system has been developed by the State of Utah to guide health behaviors for individuals and businesses. Each level of the dial is guided by a rigorous measurement system which can be different by each region, county, city, or community.

**Operates under the General Guidelines for Employers. Strict hygiene.**

- Follow all employer guidelines (see below)
- Ensure nobody with symptoms enters a job site
- Provide additional hand washing stations; wash or sanitize hands before and after leaving a site
- Wear face coverings and gloves
- Clean and disinfect project sites, including high-touch surfaces and tools frequently
- Share estimates, invoices, and other documentation electronically

**General employer guidelines**

Employers encourage flexible working arrangements (rotating shifts, remote work, etc.). Comply with distancing guidelines. Increased cleaning regimen of high-touch areas. Monitor employees for symptoms and well-being.

- All businesses open
- Employers take reasonable precautions
- Provide accommodations to high-risk employees; minimize face-to-face contact, assign tasks that allow these individuals to maintain a 6-foot distance from other employees or customers, implement flexible work hours or staggered shifts, allow high-risk individuals to work remotely
- Symptom* checking in business interactions
- Face coverings worn in settings where other social distancing measures are difficult to maintain; ensure that face coverings are available
- Encourage remote work when possible; employers exercise discretion with returning to onsite work
- Workplaces comply with distancing and hygiene guidelines
- Limit unnecessary travel

---

**Moving to yellow**

The dial is moving to yellow, indicating a transition to a new phase of the health guidance system.
• Require employees to self-quarantine when returning from high-risk** areas
• Employers evaluate workforce strategy and concerns and enact strategies to minimize economic impact
• Employers must not allow any individuals under isolation or quarantine to come to work at any time unless authorized by LHD

* Symptoms include fever of 100.4 degrees Fahrenheit or above, cough, trouble breathing, sore throat, sudden change in taste or smell, muscle aches or pains
